5th January 2018

Dear Parents/ Carers,
Happy New Year - I hope you all had a relaxing break.

School Values

This term our school core value is 'care' and we will be focusing on our understanding of 'care' in our assemblies and through our PSHE lessons.

By care we mean:

- Listening to what children say
- All children are valued
- Providing children with a safe and stimulating environment, free from litter, free from danger - a place where they can take risks safely
- Teachers and children are careful when writing in books and we take care with handwriting
- That we look after each other and care for each other

To ensure our core value of care:

- All staff listen to children and give them the opportunity to share their worries / issues, however big or small!
- We have an inclusion team of trained professionals to work with parents and children
- We have a school council and other positions of responsibilities for children including Anti-bullying ambassadors.
- Staff role model care for the environment, resources and others

Extra-curricular school activities

Girls and Boys Football, Sewing and choir will start next week. However, due to Miss Saunders being away at Kingswood next week with Year 2 - gymnastics for Y2 and Y3 will NOT start next week (it will restart week beginning 15th January). Please remember that Extra-curricular activities are not paid child care and can be cancelled at very short notice. All activities finish at 4:15pm.

Paid Childcare

As of 2/1/18, we are now able to offer paid childcare between 3:15-6pm. 'Children United Out of Hours Club' is a privately run club that is situated within our school in the dining hall from 3:15-6pm. They provide quality childcare for school aged children after school. If you wish for your child to attend Children United then please contact:
