

## Art and Design

In Art I will be learning about 2 different artists. I will learn about Sarah Nicol and her work with textiles and Andy Warhol and his work with printing.

## Design and Technology

In DT I will design, make and evaluate a fruit salad. I will develop basic cooking skills. I will also design, make and evaluate a finger puppet developing basic sewing stitches.

## Music

I will be exploring changes in pitch and vocal sounds and learning some action songs. I will create a piece of music using a variety of different sounds.

## RE

In RE I will learn about and explore what Christians believe in Wolverhampton. I will learn that sometimes people don't always see and believe in the same things.

## Homework Reminder

Homework will be given out every Friday. It needs to be returned to school by Thursday so it can be marked and given out again on Friday.

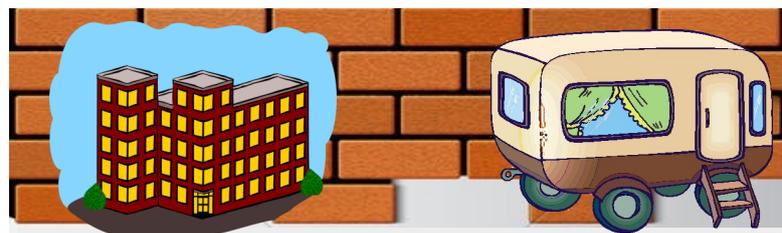

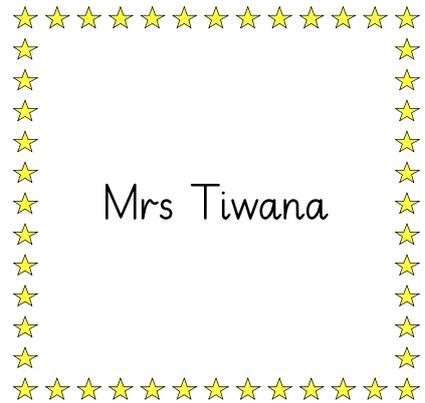

Your child will have 10 spellings to learn each week to be tested on Friday. Please help them at home to learn them.

Please remember to sign your child's home reading diary when they read at home and ensure their book bag is in school everyday.

Year 1 Topic  
Autumn Term  
September-December

Andy's 109  
Teacher

# Home Sweet Home

# Our new topic is Home Sweet Home

We will be visiting  
Wightwick Manor

More information will  
follow.

## English

I will develop my phonic skills to support my reading and writing in English. I will learn how to write labels, captions, simple sentences poems and recounts. I will also be looking at traditional stories and innovating them to make my own version.

## Mathematics

I will be developing my understanding of number and place value through counting, addition, subtraction, multiplication and division. I will learn about the properties of basic 2d and 3d shapes.

## Physical Education

In PE I will be developing my ball skills including sending and receiving and small sided games.

I will learn different ways of travelling, jumping and rolling in gymnastics.

## PSHE

This term I will look at how I have changed, growing up and families. I will also be exploring different feelings and learning how to deal with anger and feeling upset. I will learn about being a good friend and how this makes others feel. I will also discuss feeling jealous and proud.

## Science

In Science I will be learning about seasonal changes across the year and how weather and temperatures change. I will begin to look at Autumn and Winter in more detail. I will also learn about different materials and why they are used for a specific purpose at home.

## History

In History I will be learning about old and new houses. I will compare the differences between Victorian houses and houses today. I will be studying artefacts, furniture then and now as well as objects old and new.

## Geography

This term I will be learning about human and physical features in the local area. I will be using simple maps and basic symbols to walk around the local area. I will learn my address and locate it on a map.

## Computing

This term I will be using iPad's to create algorithms with scratch jnr. I will also use my drawing skills to create a digital picture using different forms of technology.
