

# Home learning

## Project Year 4

Hello Year 4, over the summer we have prepared a home learning project for you to complete.

The first project we would like you to do is create a booklet about all the learning you have done in Year 4. make it colourful with lots of facts. You could have a couple of pages for each thing we've done.

- \* Teeth & Digestive system
- \* Egyptians
- \* Vikings

In the summer term, we would have learnt about the Victorians. If you have completed homework and purple mash activities you may have learnt something already. We would like you to create a diorama of a Victorian house.

Some purple mash activities will be set throughout the holidays. Keep safe and your new teacher will be looking forward to meeting you in September.
